## SUMMARY

Computer Science graduate targeting junior software engineering roles with Java, Python, SQL, AWS, and Azure. Departmental Honors and Dean's List every semester; focused on backend development.

## EDUCATION

**Queens College | BSc Computer Science | New York, NY | Jan 2024 - May 2026**

**GPA:** 3.778/4.0 | Departmental Honors (2026) | Dean's List every semester

**Coursework:** Data Structures, Algorithms, Database Systems, Operating Systems, Software Engineering, Cloud Computing, Data Communications, Internet and Web Technologies

**Arkansas Tech University | Computer Science studies prior to transfer | Aug 2021 - May 2023**

**GPA:** 3.9/4.0 | International Excellence Scholarship (2021 - 2023)

## TECHNICAL SKILLS

**Programming:** Java, Python, SQL, JavaScript, C++, MIPS Assembly

**Web:** HTML, CSS, responsive web design | Cloud and databases: AWS, Microsoft Azure, SQL Server

**Tools:** Git, GitHub, Docker, DBeaver, Azure Data Studio, VS Code

**Core concepts:** Object-oriented programming, data structures and algorithms, database systems, computer networks

## PROJECTS

**WalkMate AI | JavaScript | GitHub: [geoste20/Walkmate-ai](https://github.com/geoste20/Walkmate-ai)**

- Built a web app for safer walks with AI companionship, emergency contacts, walk tracking, and anonymous companion support.

**TinyJ Compiler | Java | GitHub: [geoste20/tinyj-compiler](https://github.com/geoste20/tinyj-compiler)**

- Implemented a compiler for a Java subset, including syntax analysis, semantic analysis, and code generation.

**Cloud Computing Projects | AWS, Kubernetes | GitHub: [geoste20/Cloud-Computing-Projects](https://github.com/geoste20/Cloud-Computing-Projects)**

- Completed coursework projects covering distributed systems and machine learning deployment.

## EXPERIENCE

**Queens College | Math and Computer Science Tutor | New York, NY | Feb 2026 - Present**

- Tutor students individually and in groups in mathematics and computer science, guiding problem-solving for assignments and exams.

**G. Stephanis & Son Ltd | IT Intern | Nicosia, Cyprus | May - Aug 2025; Jun - Aug 2019**

- Maintained website content and digital catalog entries to keep product information current.
- Digitized files and provided technical support to improve access to information and day-to-day workflows.

**Ernst & Young Cyprus Ltd | Intern | Nicosia, Cyprus | Jun 2023 - Jul 2023**

- Validated data and performed quality checks on stakeholder deliverables, checking accuracy and alignment with requirements.

**Logicom | IT Intern | Nicosia, Cyprus | Jun 2022 - Aug 2022**

- Completed Python assignments and prepared research reports, documentation, and presentations for IT projects.

## LEADERSHIP

**Cypriots with IHS Organization | President | Jan 2025 - Present**

- Lead event planning, networking, and community outreach; mentor Cypriot students transitioning to U.S. academic life.

**Queens College | President, Ikaros Hellenic Orthodox Club | Sep 2024 - May 2025**

- Led a student organization of 50+ members and coordinated cultural events.

## ADDITIONAL INFORMATION

Texas A&M Cyber Ethics Certificate | Languages: Greek (native), English (fluent), Italian (beginner)
